FRESHMEN RULES.

First Appearance Yesterday.

The Class of 1910 has ordained the following as a warning and a behest to the Class of 1911:

Hearken! ye Freshies—Pariahs of the College Body!

Listen, O Youngsters! Low Clods of Brute Earth!

To you, whose unalloyed assinnity, whose congested conceitedness, whose garrulous greenness, and whose ignominious ignorance is a source of pain to all, we, the illustrious and exalted class of nineteen hundred and ten, do speak in guttural groans of gorgonian greatness these commandments:

1. Thou shalt wear on all occasions, except the Sabbath, none other than the official freshman cap.

2. Thou shalt be prompt in attendance at all college meetings.

3. Thou shalt not clothe thy insignificant self in khaki or corduroy trousers, nor shalt thou be seen in public with pipe, cane or cigar.

4. Thou shalt not call out of rooms or windows, or seat thyself on the college fence.

5. Honor and obey all men in the classes above you, and fail not to salute them.

6. Let not thyself be found at Heub's, or in a box at the theater, without a man from one of the classes above you.

7. Thou shalt throw no snowballs.

8. Thou shalt not display upon thy person school numerals or monograms.

9. Remember the bulletin board and keep it (w)hol(l)y free from thy notices.

10. Thou shalt attend to thine own affairs, and shalt not display any supposed wisdom, lest like Pharaoh's host thou be swallowed up in a sea of Sophomoric anger.

And harken! All Freshies are to learn and live these commandments, and who-soever transgresseth one, or even a part of one, shall have the shadow of the Paddle cast across his life, and will be subject to the all-searching justice of the renowned and glorious class of nineteen hundred and ten.

The annual underclass track meet will be held on Monday afternoon at 4 o'clock. The sophomores will be able to put a very strong team in the field among whom will be several of last year's 'varsity team, Oliver, Nelson, Kedney, Harmon and Henshaw. The freshmen, however, may be expected to make a pretty good showing as several of them have good prep. school reputations.

The fall tennis tournament is progressing rapidly and will probably be finished by the early part of next week. The following matches have been played since the last issue of the Tripod: Randall '08 beat Grint '11, 8-6, 3-6, 6-3. Hamersley '09 beat Hartzell '08, 6-3, 6-2. Robertson '10 beat Brainerd '11, 8-6, 6-3. Morris '08 beat J. S. Carpenter '09, 6-2, 6-4.

GLEE CLUB REHEARSAL

The Glee Club had the first rehearsal under the directorship of W. B. Davis yesterday. About twelve old men including Messrs. Chandler, Goodrich, Harmon, Carpenter, Stevens, Coghlan, Townsend, Harriman, Skilton, Cadman and Xanders and fourteen new candidates were present. The club will rehearse for a few weeks with about twenty-five members and then the number will be diminished to probably twenty men for concerts in and near Hartford and sixteen for the more extended trips.

On the whole, considering the amount of material to draw from the club should keep up the rate of improvement which it has established since Mr. Davis took charge of the club. From weakening, by its members graduating or its members leaving college the first and second tenor parts will suffer the most, as G. Cunningham '07, Hart '09, R. Cunningham '07, Gabler '10, and Langford '10, all tenors, will not be in college this year.

At the rehearsal the first tenor part was made up of Carpenter '09, Cawley '11, Seymour '09, Nelson '11, Rees '11, the second tenor: Harmon '10, Elwell '09, Murray '10, Cook '10, Sherman '11, Yates '11, Stevens '08, Goodrich '09, the first bass: Chandler '09, Harriman '09, Townsend '10, Coghlan '10, Bunnell '11, Davis '11, Stewart '11, the second bass: Skilton '08, Cadman '09, Roberts '09, Howell '11, Stansfield '10, Xanders '09.

IN THE WORLD OF FOOTBALL.

Harvard, Princeton and Pennsylvania were arrayed yesterday against teams which are usually strong in their class. Harvard scored 33 points on Bates and was only scored against by a wonderfully executed placement kick by the Bates captain. Princeton made a better showing against Wesleyan than Yale did a week before, scoring 53 points to Wesleyan's 0, while Yale only scored 25. Pennsylvania won over Franklin Marshall 57 to 0. The Springfield training school was defeated by Yale by the score of 18 to 0. Cornell defeated Niagara, Williams easily excelled over Middlebury and Dartmouth defeated New Hampshire. The scores: Yale 18, Training School 0. Harvard 33, Bates 4. Dartmouth 10, New Hampshire 0. Princeton 53, Wesleyan 0. Williams 38, Middlebury 0. Pennsylvania 57, Franklin & Marshall 0. Cornell 47, Niagara 0. Annapolis 12, Maryland "Aggies" 0. Exeter 34, Lowell Textile School 0. Andover 15, Cushing 0.

The Michigan squad will have a training table, supported by 20 literary fraternities. The players will get all the nice eatables for \$3 a week. Training tables are tabooed in the middle West, but this kind of a table is considered proper.

WEST POINT GAME.

Every day this week except Monday Coach Landefeld has put the football squad through hard scrimmage work. The feature of the practice has been the remarkably strong work of the scrub both on offense and defense, although usually two or three 'varsity men have appeared on the second to form a good nucleus for team work. Several of the men are a little "banged up" in the way of slight muscle bruises and "charley horses," but probably nobody will be kept out of the game Saturday on this account. It is likely that sixteen of the squad will be taken to West Point, so as to ensure suitable substitute material.

In addition to coach Landefeld and manager J. O. Morris the following men left this afternoon on the New York boat. The team will go on to West Point to-morrow morning and will spend Saturday night at the Park Avenue Hotel.

The list follows: Captain Donnelly, Pond, Budd, Collins, Xanders, Maxson, Mason, eGorge Buck, Grosvenor Buck, Henshaw, Neff, Gott, Thaxter, Carroll, Ramsdell and Snow.

The following is the record of West Point and Trinity thus far this season: At West Point, October 5, West Point 23, Franklin and Marshall 0.

At Hartford, October 5, Trinity 26, Worcester "Tech." 0.

EDWARDS-STARR WEDDING WEDNESDAY.

A wedding of interest took place Wednesday afternoon at St. Luke's church in Lanesboro, when Miss Sarah DeForest Edwards of New York and Robert Sythoff Starr, Trinity '97, were married by Rev. J. P. Cameron of Dalton, pastor of the church, assisted by Rev. D. Parker Morgan of New York. Miss Katherine Edwards, a sister of the bride, was maid of honor, and Miss Grace Walbridge of Buffalo, N. Y., was bridesmaid. Dr. John McCook, Trinity '90, was best man and the ushers were Dr. Edwin Rutherford Lampson, Trinity '91 and Dr. Henry Stoll, both of Hartford. The bride was given away by her mother, Mrs. Charles Atwood Edwards. The wedding was attended by about fifty guests, among them Miss Helen M. Gould of New York.

TRINITY IN THE WORLD OF LITERATURE.

Three Trinity authors have recently presented copies of their work to the college library.

William T. Olcott '96 gave his book entitled "A Field Book of the Stars," just published by G. P. Putnam's Sons, of New York city, Rev. Daniel Hugh Veeder '99 presented his book, "The Snow Bride, and Other Poems," and Rev. J. Newton Perkins '61, has sent on his "History of St. Stephen's Parish, New York City, 1805-1905."

PROF. URBAN IN MADRID.

The great intellectual awakening that has taken place in Spain in recent years under happier governmental conditions and that is now in active progress, is nowhere better shown than in the large number of reviews and magazines, excellently edited, which take account, not only of things in Spain but also of every phase of advance throughout the world. Among the monthly magazines is *Nuestro Tiempo*, which has in its issue for August an article of thirteen pages by Don Martin Navarro, of Tarragona, on "The Movements in Psychological Philosophy." Two and a half pages of the thirteen are concerned with a highly appreciative notice of the articles by Professor W. M. Urban of Trinity, in the *Psychological Review* for January and for March, on the "Definition and Analysis of the Consciousness of Value." The articles are characterized, as having a great interest in their information regarding present problems relating to influences mediating between feeling and will, and concerning the priority and special character of their respective phenomena. The view of Dr. Urban is spoken of as thorough and decisive. "The whole work is a delicate and sagacious analysis of the psychical phenomena which constitute the judgment of value, and, as has been seen, all the numerous investigations which have been made in these last times in the discussion of so interesting a theme, have been laid under contribution," says Senor Navarro.

New Baseball Men in College.

Great interest was aroused in the Freshmen-Sophomore baseball game last Monday because this is the only chance until the baseball practice begins, of seeing any new 'varsity material in action. The game, although it was mostly a pitcher's battle between the 'varsity pitcher, Cook '10 and the freshman pitcher Woodle, convinced all present that the race for positions when baseball season comes around will be keener than ever although all but one of last year's team are still in college. Woodle, the pitcher for 1911, showed promise of being Cook's running mate in the box, and with coaching should prove to be a worthy successor of Badgley, the pitcher and captain of last year. Gildersleeve caught well and also hit the ball which will count for a great deal towards getting a place on the 'varsity. Other new men whose work attracted particular notice were Carroll, who played the first bag well, and Robertson, in left field, a new member of the sophomore class.

The Freshmen-Junior Banquet.

Just at this time the freshmen-junior banquet is one of the topics of conversation among Trinity men. The freshmen are appointing various committees, the sophs scheming and contriving how to capture a score of poor unsuspecting freshmen and later break up the banquet. In the meantime the juniors are thinking of nothing more serious than that nice free "feed" which is surely to be theirs in the near future.

While this thing has been going on at Trinity in much this same manner for a number of years, still it can hardly be termed a college tradition, we believe. Unless we have been misinformed, it is only within recent years that the sophomores have interfered with the banquet and endeavored to spoil the fun of the two other classes.

From this it will be seen that there is no well founded reason why the time is not ripe for some sensible change to be made in regard to the banquet. Everybody who has been in college for the past two or three years realizes that conditions surrounding the affair are annually growing worse instead of better and we also think that if immediate steps were taken to remedy the evil the entire college body would be greatly benefited.

Therefore the Tripod has framed a few suggestions which it is sincerely hoped will be followed.

1. Let the freshmen give the juniors a banquet as in former years.
2. Let the freshmen class announce their banquet committee as soon as elected.
3. Let the expenses be decreased to say, \$3.00 a man and then everybody could afford to attend the affair.
4. Let the banquet be given in Hartford. There are many advantages in this.
5. And lastly let there be no interference on the part of any class but, let the freshmen entertain the junior class like a crowd of gentlemen.

COMMUNICATION.*

The Old Chapel Question.

Editor Tripod:—

Would you be so kind as to publish the following extract from a recent speech of President Jordan of Leland Stanford University? This good man believes that the college must operate through work and through example in religious matters as in morals.

Now, it seems to me that this is an excellent time to bring up the old question of compulsory chapel at Trinity and I therefore hope that you will find space to print these words of President Jordan. He says:—

"The college cannot make a student moral or religious through enforced attendance at church or chapel. It cannot arouse the spiritual element in his nature by any system of demerit marks. But let him find somewhere the work of his life. Let the thoughts of the student be free as the air. Give him a message to speak to other men, and when he leaves your care you need fear for him not the world nor the flesh nor the devil!

"If your Christianity or your creed seem to the student to need a bias in its favor, if it seem to him unable to hold its own in a free investigation, he will despise it, and if he is honest he will turn from it. Religion must come to him as a 'strong and mighty angel,' asking no aid of church or state in its battle against error and wrong."

Undergraduate.

*The editor of the Tripod wishes to state that the above letter was received sometime ago but space was not available until the present issue.

Germany last year reported 45,136 students at its 21 universities, while Russia had 24,434 at ten institutions.

ALUMNI DEPARTMENT.

New York Alumni Meeting.

The first monthly gathering of the season 1907-08 of Trinity men living in or near New York City was held on Monday evening, October 7th, at Keen's English Chop House, 70 W 36th street. These meetings became well established last year, and were the means of bringing together many Trinity men, a number of whom had never met before. Now that the custom has become well organized, Trinity men of New York are wondering why it was not begun long ago. Owing to some slip in the handling of the notices most of them were never delivered. The management of the chop house had printed and mailed three hundred postal card announcements, but unfortunately most of the men did not receive them. This fact accounts for the smallness of the gathering. Of the thirteen present, eight had received no notices, but, from force of good habit formed last year, felt that a meeting must be on for the first Monday of the month, and found out the place from the committee in charge.

Although small in numbers the meeting was big in spirit. Everybody was enthusiastic over the auspicious opening of the football season, and it was hoped that many would go up to the Wesleyan game. There was plenty of money around for a Trinity victory.

Any Trinity man is cordially welcome at these gatherings. They are held on the first Monday of each month at Keen's Chop House. Each man orders what he likes and pays his own bill, unless he has an obliging friend. As one of the notices read, "Come when you like, eat what you like, and go when you can tear yourself away."

Those present were: Rev. E. P. Newton '81, F. R. Hoisington '91, Rev. R. L. Paddock '94, J. J. Penrose '95, P. J. McCook '95, E. W. Robinson '96, M. H. Coggeshall '96, DeForest Hicks '96, J. C. Underwood '96, Rev. D. H. Vander '99, E. P. Taylor '00, A. T. Wynkoop '01, F. C. Hinkel, Jr. '06.

'56—Dr. E. M. Gallaudet was one of the speakers at the Congress of Instructors of Deaf Mutes which met this summer at Glasgow, Scotland.

'69—The Rev. Henry Swift, chaplain 13th Infantry, U. S. A., has been serving on special duty at Manila, P. I., as officer in charge of the Office of Identification and Army Morgue. He has also made regular visits to the American prisoners in Bilibid prison and held service there on Sundays. Besides other clerical labors, he has acted as secretary of the convocation and a member of the council of advice, and he is an examining chaplain of the Missionary District.

'01—Robert Bayard Bellamy, who is locating engineer for the El Paso and Kansas City Short Line has gone on a reconnaissance trip with the chief engineer among the Hueco and Guadalupe Mountains in Western Texas and New Mexico.

'04—Bayard Quincy Morgan has received the degree of Ph.D. from the University of Leipzig, *cum laude*. He has accepted a position in the State University of Wisconsin.

The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

When should I insure my life?

Now! The cost will never be less, and to-morrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

Where shall I insure my life?

In a purely Mutual Company.

In a company that earns, declares, and pays annual dividends.

In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send **FULL CASH WITH ORDER** and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at **OUR** expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

COASTER-BRAKES, built-up wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big **SUNDRY** catalogue.

DO NOT WAIT but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it **NOW**.
